SUBJECT: TRANSPORTATION SERVICES FOR WELFARE RECIPIENTS

This information bulletin transmits the Department of Labor Training and Employment Guidance Letter (TEGL) 13-99 (Attachment 1). The attachment to this TEGL provides joint guidance by the United States Departments of Health and Human Services (HHS), Transportation (DOT) and Labor (DOL) for the allowable use of funds in developing transportation programs. The goal of these programs is to provide seamless, integrated services enabling individuals to transition from welfare to work. This guidance is meant to augment current regulatory and statutory provisions.

The TEGL discusses three major funding resources including: the Temporary Assistance for Needy Families (TANF) program administered by HHS, the Welfare-to-Work (WtW) formula and competitive grants program administered by DOL, and the Job Access and Reverse Commute grant program administered by DOT. While each of these programs maintains specific program considerations and restrictions, this guidance discusses how their funds may supplement or leverage additional transportation resources.

If you have any questions, please contact your WtW program manager, at (916) 654-7799.

/S/ BILL BURKE  
Chief
